

JANUARY'S HOLIDAY & HOME EXPO

OPEN WIDE...and Say "AAAAHHHHHHHH"

That is exactly what buyers were saying when experiencing the NEWLY expanded and renovated entrance into the International Floral and Gift Center from the Dallas Market Center Atrium. The Exquisite Entrance was revealed at the January Holiday and Home Expo. This wide, luxurious space, complete with contemporary seating and lighted signs welcomed and encouraged buyers in Dallas to check out the Largest Selection of Christmas, Permanent Botanicals and related Decorative Accessories under one roof!

Countless Showrooms were ready...revealing Valuable Success Strategies and Innovative NEW Products for the Savvy Buyers attending this year's Holiday and Home Expo. You simply couldn't miss RED...as portrayed in spectacular fashion by the Formal Entryway to Direct Export. Their Concept "bringing you HOME for the Holidays" was Innovative and refreshing; transporting you to a HOME within a showroom complete with an Ice Covered, Three Season Porch and Majestic Master Bedroom.

continued inside...

HOME FOR THE HOLIDAYS.

Dallas Market Center is the home of Christmas and at the June 2009 Dallas Total Home & Gift MarketSM there will be many events and displays to prove it. The Grand Pavilion at the Trade Mart will feature nine rooms fully furnished and completely decorated for Christmas. You won't want to miss this spectacular display!

*If you are an exhibitor and would like your merchandise to be considered for the display, please email photos and a description to homefortheholidays@dmcmail.com. You will be contacted if your merchandise is selected.

VIRTUAL MARKETTM NOW AVAILABLE ON AFIA.NET

Virtual MarketTM is now available to view online at www.afia.net. With so much to see during the market, it is sometimes easy to forget all of the beautiful displays and merchandising from the fabulous showrooms within the IFGC. Now you can enter the showrooms again...VIRTUALLY with a 360° camera view. Direct Export, Arty, Jim Marvin, Regency and Pacific Sunshine are currently available online for you to view what you might have missed at the January 2009 market. To view the Virtual MarketTM, go to www.afia.net then click on the links at the bottom.

June 24-30, 2009**

**Christmas & Floral FINDS
June 26-29, 2009**

Winward: IFGC 1F215

Glass was expertly reinvented by the Artists at **Diamond Star** offering unique updates to clear glass featuring cutouts and appliques both contemporary and modern... along with Incredible Hand blown Perfume Bottles in exquisite detail.

A walk through the International Floral and Gift Center offers so many points of inspiration and Sparks the creativity of the artist within. Our Daily Discovery Tours highlight the BEST in SHOW at every Holiday and Home Expo.

Calisino: IFGC 1F115

Traditional Flair at Lincoln Imports, Chris Norwood AIFD put his ARTISTIC flare to work at **ARTY, Royal Green** Wowed us with WHITE and **All-state** took our breath away (again) with Jaw dropping Displays! Inspired Design abounds throughout the IFGC.

Direct Export: IFGC 2F310

Snow and Ice were "HOT" Trends throughout the market and the Visual Display Merchandising at **LINS** capped this SNOW Covered Theme. With ICE Sculptures, Snow Covered Trees and Magical Mirrored Snowmen... WHITE Christmas moved forward with the Force of Glaciers!

Winward won Best Window display for a wide-open presentation of Amaryllis dynamically displayed for the Holidays. Imagine this unique Display complete with an Artistic Museum Quality WALL Sized portrait of Hippeastrum (that's SCIENTIFIC for Amaryllis) by Renee' Hinecke... Show Stopping!

My Trend Spotting Tour...showcasing the Best Trends for 2009 included these great stops...white Lacquer Tables and SILVER Metallic Flowers at **Royal Green**, Blue Christmas Trees at **Lincoln Imports**, and the Crowd stopping Tear Drop LED Lights at **Jim Marvin**. Jim Marvin (also known as MR. Christmas) gave an Awe inspired look at creating Christmas for ANY mood, theme or color. Jim's Hall of Nations Presentation thrilled hundreds of buyers and filled us all with the Christmas Spirit!

GOING Green is a HOT Topic of Discussion...buyers were searching out Recycled, Sustainable, Eco-friendly manufacturing, products and concepts. Exceptional examples were Recycled Glass Vases at **LaLa Imports**, EVA Foam Flowers at **MECK** and Royal Green, and Natural Fiber Ribbon at **Reliant**. Watch for MORE "Green" influenced products to appear as this "GREEN gets GOING" for 2009-10 and beyond!

The Display and Merchandising Tour hits the HOT Spots of HIGH DESIGN for Window Display that explodes throughout the market. This TOUR is NOT to be missed and showcases the World Class Spectacles created from Flower Artists from around the Globe. Marc Bass AIFD worked his magic with

Christmas is the Focus of the January Holiday and Home Expo, and our Christmas Tree Tour showcases the CENTER of Attention for the Holiday Season. Whether you are searching out the latest Decorations, Twinkling LED Lights (* Another Important GREEN Product), or the TALLEST Trees around...the Christmas Discover tour takes you there! INSTA-Shape Trees from **Autograph** that "pop" out of the box shaped and Ready to decorate! LED lighting that dances to t or mimics the gentle snowfall on a winter evening..."hand crafted" and Elaborate Tree Decorations...whatever your specific interest...this tour never disappoints.

Tradition has come alive (again) for Christmas 2009...with Poinsettias, Santa, and RED and Green...this year we look to the past for Success in the Future, Embossed Sheer Poinsettia at **Calisino**, Chartreuse Green (laser lime) Ornaments, Pillows and Table Runners from **Farris Silk**, and Santas by the SLEIGHLOAD from **California Floral**... Traditional Christmas is the KEY!

Knowing your market and connecting with your Customers is the Success Solution for 2009...and the Dallas Market Center and International Floral Gift and Center have created the MUST BE Destination for all your Christmas Purchases. If you're in the Christmas Business...Dallas is the Place to BE!

Royal Green: IFGC 1F117

Jim Marvin: WTC 221/239

J'S TOP TEN LISTS

What's RED HOT for Christmas 2009! J's Top 10 Picks...

My biggest challenge in creating my Top 10 Picks for the American Floral Industry Association at the Holiday and Home Expo in Dallas is this...

There are WAY too Many RED HOT Items to choose from in Dallas! It takes a Keen Eye and persistence to find the Best of the Best when there are so many great things!

People always remark how much fun it MUST be to go on a buying trip. I know you will agree... "It's HARD Work". Seeing so much, sensory overload, hundreds of showrooms, Millions of items and YOU left to "Walk" it all in search for that NEXT GREAT THING!

My goal is to help! Help you get a leg up, shorten your search and direct you to the Latest and Greatest FINDS throughout the Flower World in Dallas. Hundreds of people enlist my help and turn up everyday to see the TOP 10 Picks for Santa, Ornaments, Decorative Accessories, Wreaths, Wall Décor and MORE!

Complete lists of My Top Ten picks are available at www.afia.net! You can download your very own copy of all the lists complete with showroom information! There is also an archive so you can check out the

hot sellers from past shows...many of these products are Still SELLING Like Hotcakes throughout North America!

Highlights this year were Diorama Music Boxes set inside Vintage Televisions from **Winward**, Peridot (light lime) Permanent Botanicals from **Direct Export**, Large (ostrich size) Glass Eggs with "Frosting-esque" décor and jewels from **Royal Green** and Holiday Script (Cheers) Candle Holders from **Lincoln Imports**...

I saw numerous interpretations of the MAGI (three wise men)...unique, ornate, simple or impressionistic...

Symbolic tender representation of Mary HOLDING the Baby Jesus in Nativity sets...

Cut-away Patterns, Silhouettes and Filigree patterns on ornaments, vases and containers...

Chartreuse Green and Red were prominent colors signifying the return to Tradition with a TWIST on Contemporary...while Chocolate Brown held steady for yet another return in 2009. Black is waiting patiently in the wings and pairing up with Laser Lime and Holiday Red for 2009!

Platinum pulled into the lead as the MAGIC

Metal for 2009! A Boxed Set of Platinum Topiaries from Galt and Powerful Pre-made from **Winward** personified Platinum as Perfectly Profitable!

Pre-made arrangements are significant and help us Stabilize Labor...a strong strategy for Success this holiday Season... wreaths, vases, candleholders and even decorative accessories showcased Permanent Botanicals. FROZEN in Time for the Holidays were portrayed to perfection by **Allstate** with Holly Ice Cubes and Water Illusion vase complete with 24K Gold Fish!

Whatever your needs, however strong your desires - traditional, contemporary, vintage or romantic...the Showrooms throughout the Dallas Market offer a WORLD of opportunity for Magical Marketing and Holiday Happiness for Christmas 2009! You can't miss RED!
